

UCSF-Department of Obstetrics, Gynecology and Reproductive Sciences Volunteer Clinical Faculty

BENEFITS

Although the most important benefit Volunteer Clinical Faculty (VCF) members will receive from the teaching commitment will be the satisfaction derived from the contribution to the greater good of the medical community, there are some other benefits as a member of the volunteer clinical faculty at UCSF:

1. **Grand Rounds**

Website: www.obgyn.medschool.ucsf.edu/education/grandrounds/

Phone: (415) 514-9399

VCF will be placed on an e-mail list to receive dates and topics of weekly Grand Rounds in the Department of Obstetrics and Gynecology.

2. **Department CME Courses and Faculty Development Workshop**

CME Website: www.cme.ucsf.edu

Faculty Development workshop: <http://meded.ucsf.edu/radme/educational-skills-workshops>

Receive the department CME course notifications. Discounts for active VCF are often available.

3. **Association of the Clinical Faculty (ACF)**

Website: www.medschool.ucsf.edu/acf/

Phone: (415) 476-5169

VCF are eligible to join the Association of the Clinical Faculty in the School of Medicine at UCSF for \$75.00. With this membership, VCF receives one free CME course registration at UCSF in certain departments. There is an annual banquet for all volunteer clinical faculty at UCSF held in San Francisco.

4. **UCSF Library Collections and Resources**

Website: www.library.ucsf.edu

Parnassus : (415) 476-2336 or Mission Bay: (415) 514-4060

VCF have unlimited access to the UCSF Library Collections and Resources including but not limited to:

- Full-text online journals & information databases including PubMed
- GALEN, the Digital Library of UCSF
- UCSF Library Catalog
- Books, periodicals, journals and other materials held by UC Campuses
- Reference Materials
- Archives and Special Collections
- Research Assistance

An overview of the library general information, collections and resources can be found at the UCSF Library website.

- To borrow material from the library, activate a Borrower Account at the circulation desk.
- To use the library computers, printers or Digital Library: establish a GALEN account.
- To set-up a GALEN Account please visit the library web site for current set-up instructions.
- To access online library resources remotely from a personal computer or laptop, faculty must establish a Virtual Private Network (VPN) number. For VPN set-up instructions call UCSF Information Technology Services (ITS) at (415) 514-4100.
- To access online library resources remotely from a personal computer or laptop, faculty must establish a Virtual Private Network (VPN) number. To set-up for VPN access, please go to MyAccess account at https://vpn.ucsf.edu/dana-na/auth/url_default/welcome.cgi.

UCSF-Department of Obstetrics, Gynecology and Reproductive Sciences Volunteer Clinical Faculty

BENEFITS

5. **Camp**
